NORTHEASTERN NEWS

ISSUE TWO

*Where it all  
began.....*

## 2011 Season has begun

Our 2011 calendar is full with 18 rallies between all three chapters. With the high price of fuel the club officers are very conscious to keep the cost of each rally to an affordable price. But we need your help. In order to save money we are asking that you bring your own set ups (plates, utensils, coffee cups, etc) to each meal unless otherwise noted. Just the price of supplying paper products will reduce the cost of the rallies. The clubs use a lot of supplies such as aluminum foil, saran wrap, cooking products so we are buying in bulk to keep the cost down as well. Every little bit helps so we appreciate everyone's effort this year. We are always looking at places to hold rallies so if you have an idea please contact any of the officers.

We have our next rally at the Oakcrest recreation Field in Sandwich, June 3rd to the 5th. Our theme for this rally is "Saddle Up" a western cowboy rally. Wear your "cowboy/girl duds" Saturday night for a delicious BBQ and with weather permitting an old western comedy movie. Every year at this rally we ask you to bring canned goods to help with the local Sandwich Food Pantry and every year the needs are greater. Last year, Heidi and I brought three full boxes of canned and boxed food to the pantry, you could not believe how happy they were to receive the donations. So thank you in advance for the many donations a lot of you have made.

The second Tri- Meet of the year is the annual jaunt to Scussett Beach along the Cape Cod Canal July 1st to the 10th. It's a beautiful area of Cape Cod and with a lot of things to do. We have enclosed the flyers and information for Scussett Beach read carefully there are two options this year. If you have questions contact Fred Sage his number is on the flyer.

I would like to thank Fred & Nancy Sage, Moe & Evey Cloutier, Bob & Eileen Pierro and Tom & Ellen Kinsman for their help in organizing the Marty's RV Tri- Meet rally. Spite the chilly weather it was great to see everyone and catch up on news from the long winter. Thanks to our cooking crews for all the great meals. As usual we all ate too much.

I am always looking for volunteers to help with any of the rallies. Feel free to call or email me if you would like to help at future rallies. Also if you would like to volunteer at the Northeast Area rally at Essex Junction Vermont in July call Tom Kinsman for more information or to sign up.

Safe Travels,

Terry Trotter
